#### 2000 Mazda 626 Transmission Cooler.

Select the correct transmission cooler by determining where there is enough space to mount it. The diagram on the left numbers the best three positions to mount the transmission cooler in order. Transmission coolers are more efficient when they receive maximum air flow.

ES-V6, Automatic;  
Report post; Posted  
August 24, 2012. Hello  
All, I've been searching  
these threads  
regarding the 626 V6  
cooling system and  
had a few questions  
regarding my car. First  
off, I believe  
everything is working  
fine with my car's  
cooling system but I  
have a few  
observations and  
questions: 1. When I  
first start my ...
