- including its physical, emotional, cognitive, behavioural and spiritual manifestations
- and as a natural and normal reaction to loss. Put simply, grief is the price we pay for love, and a natural consequence of forming emotional bonds to people, projects and possessions.

Video News - CNN

Resentment (also

Online Library
Coping With Grief
4th Edition

called ranklement or bitterness) is a complex, multilayered emotion that has been described as a mixture of disappointment, disgust, anger, and fear. Other psychologists consider it a mood or as a secondary emotion (including cognitive elements) that can be elicited in the face of insult and/or injury.. Inherent in resentment is a perception of
