Nonfiction Book Review: Faster: The Acceleration of Just

...

In each case, Gleick comments on how the human desire for fast communication, instantaneous gratification and intolerance for "wasted" time, combined with electronic devices that can provide what we demand has led to the acceleration of "just about everything". The perspective is more often that of a sociologist than that of a physical scientist.

1 James Gleick, Faster: The Acceleration of Just about Everything. New York, Pantheon Books, 1999. 3 Faster, pp9-10. . 18CC24 June 24, 2018 Page 2 ... I received mercy, so that in me, as the foremost, Jesus Christ might display the utmost patience, making me an example to those who would come to believe in him

Faster: The Acceleration of Just About Everything by James Gleick (1999, full audiobook)

The faster I go, the behinder I get, runs the rustic saw, which would have made a good epigraph to James Gleick's Faster: The Acceleration of Just About Everything. For that matter, so would the famous cry from Walt Kelly's comic strip, Pogo, We have met the enemy, and he is us, because in just about everything we modern Westerners do concerning time, we are our own worst enemy.

Faster: The Acceleration of Just About Everything by James ...

"Faster: The Acceleration of Just About Everything" by James Gleick begins with this quote, "You are in the Directorate of Time. Naturally, you are running late." (Chapter 1, p. 3). Author James Gleick introduces the Directorate of Time, Gernot Winkler,
