### **Marzano Resources - Lake County Schools**

Marzano's The Art and Science of Teaching, highlighted some principles of education that most teachers know, but easily forget in the business of everyday duties. My introduction to this work, through some district professional development, got me thinking about how to incorporate these principles as routines of instruction.

Assemble your notebooks. I choose to use all black and white, but colored covers are also included. I stapled about ten pages together (I can't imagine covering more than ten benchmarks in a month) and labeled it with the month, but you could also make year long versions by slipping the cover into the front of a binder and hole punching the pages to go inside the binder, or by gluing the cover ...
