Mass culture : the popular arts in America (Book, 1957 ...

The popular arts and mass culture represent our environment. The flood of their products reduces high art to minority status. This situation leads us to reconsider the privileged status of high art and the role of aesthetics as its theory, which is my main focus here. I take up three different cultural eras: early modern times, when the notions of art and aesthetics as a philosophical ...

On the Front: Aesthetics vs. Popular Arts and Mass Culture ...

The alternative term mass culture conveys the idea that such culture emerges spontaneously from the masses themselves, like popular art did before the 20th century. The expression media culture, on the other hand, conveys the idea that such culture is the product of the mass media. Another alternative term for media culture is "image culture."

Mass Culture: The Popular Arts in America by Ernest Van ...

High culture is set in opposition to low culture, and low culture is generally thought to be the equivalent of popular culture. Popular culture consists, then, of the cultural texts and practices of the working classes as well as texts and practices produced and consumed on a mass scale, such as rock music, Hollywood films, graffiti, and works by the likes of Stephen King and J.K. Rowling.

Media culture - The Art and Popular Culture Encyclopedia

Manifest in everything from film to food labels, popular culture includes the cultural activities, products, images, and ideas embraced by the broader public, particularly as seen in mass media. By borrowing the iconography and lore of pop culture as the material for their artwork, artists are able to reflect the world we live in and comment on larger forces like globalization, technology, and ...

Mass culture - Oxford Reference

Popular Arts and Mass Culture - II Ken-ichi Sasaki 6. Problems of aesthetics stimulated by contemporary mass art/culture A. Art as a fact of market. The first problem concerns the question, why is high art high? Since it does not appeal to most people and is only supported by the non-elite, whence comes the high value attributed to this art?

"The Popular Arts is an incredibly important milestone in the postwar rise of film, media, and cultural studies and of great historical value." — Lynn Spigel, author of TV by Design: Modern Art and the Rise of Network Television "As a vital contribution to debates about the nature and politics of mass culture, The Popular Arts continues to speak to questions about aesthetics, genres ...

Popular culture - Wikipedia

Exaggerating the role of the mass media, the critics of mass culture separate the media from the bourgeois character of the culture and, at the same time, ignore the dual nature of mass culture. Unquestionably, mass communication gives millions of people an opportunity to get acquainted with works of literature and art and with scientific achievements.

What are the differences between mass culture and popular ...

Popular culture (also called mass culture and pop culture) is generally recognized by members of a society as a set of the practices, beliefs, and objects that are dominant or prevalent in a society at a given point in time. Popular culture also encompasses the activities and feelings produced as a result of interaction with these dominant objects.

Duke University Press - The Popular Arts
