Students should appreciate that there is a great variety of living and non-living things in Diversity include: the world. The study of the diversity in the world will also allow students to appreciate the importance and necessity of maintaining it.

Science - Rosyth School
Inquiry-Based Learning (IBL) Takes place by observing, asking questions, finding answers through investigation —rather than simply discussing the scientific content. Encourage children to make observations and inferences, get them to describe accurately what they have seen, ask relevant questions, find answers through hands-on (under supervision) in P3. IBL is guided by the Science teacher.
