### Engineering Graphics | Orthographic Projection lecture | Vidyalkar Classes

This was required for my Engineering Design Graphics I course. It's one of the few textbooks that I could read an entire chapters all the way through and actually understand. They really break it down for us. I love how they provide plenty of picture examples of what acceptable and what isn't in graphics drawings.

### Engineering drawing - Wikipedia

- Engineering graphics is the method for documenting a design
- Mechanical engineering students must be familiar with standards of engineering graphics as it is expected in industry
- This set of slides introduces some of the basics, but is not comprehensive
- For more, see •Engineering Graphics section on the Resources page of
