In this manual, the term "calibration" refers to the process of verifying that the accuracy of the instrument is within its one-year accuracy specifications.

Tektronix 2445 Oscilloscope Instruction Manual for sale ...

Dave suggests you buy an old analog oscilloscope off of eBay, sticking with the major brands. Easy enough. But I've noticed some of the ones I find more desirable, like the Tektronix 2337, that upon reading some experiences from users it seems they're more difficult to work on or repair because they used a lot of custom parts.
