is important for many reasons. Different ideologies concerning gender representation can be seen in various films.

The representation of gender roles in the media

Television programs are a central part of children's everyday lives. These programs often transmit stereotypes about gender roles such as “math is for boys and not for girls.” So far, however, it is unclear whether stereotypes that are embedded in television programs affect girls' and boys' performance, motivational dispositions, or attitudes.

Television and gender representation (Book, 1995 ...

The Liberal feminists believe that the media generally depicts women as wife, mother, daughter or as a sex object. As I shall illustrate, this argument is very much relevant when analyzing the gender roles and stereotypes in the American TV series Two and a Half Men. The main protagonist of the series, Charlie Harper, is a rich jingle composer who lives in a mansion by the ocean together with ...
