Jawbone UP24 sizing problem. I'm considering buying a used Jawbone UP24. It will be my first wearable device I've ever had. I've checked the sizing instructions on their website, I've measured my wrist and it's 17,50cm. So I fit into the medium size, but it's also close to the large. Instructions say that if my wrist is between two sizes, I ...

Jawbone Up24 review: A great fitness tracker with style

...

I bought a jawbone up yesterday. I used the sizing guide on the box and decided to get the medium as the small was a little tight. The shape of the band is more oval than round so the medium is a fitted fit but has room at the curves of the oval band. My question is would the large still be this fitted with more room at the curves.
