The groups are a maximum of 8 persons for most courses. This is the standard number of people on an Academy course unless you are doing the "6 MAX" academy course or the Supergroup option which are both max. 6 people. 8 people is the perfect number to work through the exercises set, receive good individual feedback and get to move around the mountain to find the ideal terrain.

Just did a Warren Smith course in Cervinia and thought it was great. Fi, our trainer was very observ... ant and can cater to a wide variety of skiing ability (within our group as there were two other groups to cover an even wider level) so we all made improvement. The skiing is on a glacier so a bit more limited than winter but that's fine as its geared at improvement.
